Director of Media Service

DEBBIE DUNHAM

Dedication

We, the Class of 1980, will never forget the fun and laughter we shared with you.

When it came time for you to go, we all cried, because physically, you were no longer with us.

Now, our Senior year, the year we have all striven and reached out to attain, has come. We know that as we walk up and accept our diplomas, you will be there, as you are meant to be.

To you, Mr. McAffee, Debbie Dunham, and Kevin Crandall, we dedicate this yearbook.

You were a large part of our past and fond memories of you will always remain in our hearts.

The Class of 1980

We're traveling on an endless path that leads us to tomorrow.

We look behind us and remember
all our joy, our sorrow.

We walk into the future,
not knowing what we'll find.

But we'll look back on that path,
to what we've left behind.

Somehow we'll always remember,
as this comes and ends:

Our hopes, our dreams, our memories,
our very best of friends.

I'm an exchange student from Finland. My name is Heidi Pilli-Sihvola. I came here to the United States through the Rotary International Youth Exchange Program last August.

It is a great experience for me to be here. I have met so many people and enjoyed living with several families, the Schmidts and the Marcys. I have become familiar with their lifestyles and ways. It is a totally different situation to get to know the country than if you would come as a tourist.

I have been in New York City where all the exchange students who came from Finland (86 of us) had a tour around Manhatten. We visited the United Nations, the Empire State Building and the Radio City Music Hall. Then I travelled through New Hampshire and Vermont. We have had meetings for exchange students in Massachusetts and the Rhode Island area; one in Newport and one in Provincetown. For February vacation I went to Los Angeles. There I visited Disneyland, Universal Studios, Beverly Hills, and attended a lion safari.

The place where I come from in Finland is a small town like Middleboro. I live with my parents in an old estate which now serves as a restaurant. The climate in Finland is about the same as here. Summers here are longer and winters are milder.

The school I go to in Finland is a very small one. We have only about 350 students and school goes from grades 5 through 12. So, the whole Senior class last year numbered only 33 students! The school system is very different from the American educational program. The first thing that separates the Finnish and American systems is we pay for our school in Finland for the last three years. The rules and regulations are more like Junior Colleges here. I think this is good because changing from high school to college goes smoother.

School here has left me with a little bit of confusion. Teaching methods, of course, are basically the same. But the variety of different types of students here makes me wonder how they all fit in the same type of behavior. Ithink this is the reason for some academic and social problems for the students. But having an opportunity to attend this type of educational institution has been for me a very enlightening experience.

Overall I have enjoyed very much my stay here, the school, and especially the people.

Sincerely,
Heidi PhilliSihvola

They taught us how to read, they taught us how to write.
They taught us of the future, what was wrong and what was right.
With kind words of wisdom they taught as best they knew how to handle our misfortunes, to take them proud and true.
After all the time that's passed, this is where it ends.
Our thanks goes to our teachers, our faculty, our friends.

A Thought for Today, Tomorrow

If you think you dare not, you don't
  If you like to win
But think you can't,
  It is almost certain you won't

If you think you'll lose, you're lost
  For out in the world we find
Success begins with a fellow's will.
  It's all in the State of Mind.

If you think you are outclassed, you are;
  You've got to think high to rise.
You've got to be sure of yourself
  Before you can ever win a prize.

Life's battles don't always go
  To the stronger or faster man;
But sooner or later the man who wins
  Is the man who thinks he can.

LIFE'S PATTERN

There is a plan by which our lives should run . . .
A destiny to reach when day is done.
One mightier than us has set the goal
Which man must reach before the plan is whole.
This earth a unity; the final aim
Not individual riches, power, nor fame
  . . . But universal good.
In youth a job to occupy our time;
To cultivate a mind and body fine
That mid the working hours of adult life
We may toil forward in a world of strife
To execute the plan which He laid down;
Not all our care for personal renown . . .
But universal good.

Where is the recompense when age arrives?
What is the final goal of all our lives?
My friend, if I have done through all my years
The best that in me lies, I have no fears.
I'll look with pleasure on a life well-spent
If all my powers and faculties are bent . . .
For universal good.

SACHEMS EARN SUPERBOWL BERTH AGAIN

Every year, the MHS Football team has striven to surpass the achievements of preceding squads. This year's effort was a perfect example of such determination with the Sachem's '78 Superbowl victory to match. Every victory was a stepping stone toward the goal of another Division IV Championship. No one person was the key to victory; the accomplishments this season were possible because of the teamwork among squad members.

This teamwork was evident with come-from-behind victories against Norwell, Wareham and of course Dom Savio. It was also demonstrated by strong substitute performances when faced with injuries to key players.

The one Sachem defeat, against an excellent Hull team, can partially be attributed to costly penalties. This loss strengthened the team's resolve in contests which followed and ironically the Varsity improved its performance, successfully fighting off challenges by fine teams. The Superbowl contest against Dom Savio demonstrated the Sachem ability to fight back and win.

The team is very proud of its coaches and fans. The expertise and dedication of the coaching staff is certainly a factor in Sachem excellence. The fans played a big part in the results all season by boosting team spirits. As Antho Jeffery said, "Our fan superiority was shown at the Superbowl and we're proud to win for the town". This sentiment was echoed by other squad members.

Superbowl details are on page 126.

Once again, the Boys' Cross Country Team finished UNDEFEATED in all their dual meets. This is the seventh consecutive year that Coach Majuri and the runners have accomplished this feat, boosting their record to 79-0 during this time. They also ran away with the first place trophy in the Somerset Invitational, Catholic Memorial, South Shore Principals' and the State Divisional Meets. Coach Majuri and the runners can be proud of the dedication and talent displayed by the squad. The runners responded to being pushed to their limits at every practice and accepted the challenge with determination and pride. Even though five Seniors will be leaving, it is anticipated that the Sachem runners will continue along their victorious path.

This year's Field Hockey Squad included well-seasoned veterans. The Tri-Captains Carol Ferraguto, Beth Pickering, and Diane Reilly led the team with spirit and hustle. Despite their efforts, the team was unable to put together their talents to achieve the success they had hoped for this season.

The team was characterized by spirit and hustle. They always enjoyed the game.

Bethany "Boo" Pickering was elected to the South Shore League All-Star Team. In addition, she was nominated by the girls on the all-star squad to be one of the tri-captains of the team. Congratulations, "Boo".

The Soccer Team was made up of mostly underclassmen who hustled and worked hard all year. The two Senior Co-Captains provided the leadership for the squad. For Coach Grant's first season, he realizes that work is needed. With so many underclassmen getting a lot of playing time in this season, hopes are high for a good squad in the next couple of years.

The dedication of the team members and the efforts of Coach Howes were the overriding characteristics of the season. Hopes are high that the team will have a successful season next year.

The 1979-80 Basketball team completed a very successful season. The team was led by the scoring of Brendan Murphy, Antho Jeffery and George Marble. Strong rebounding, led by Dave Zion and Dave Benoit, was a major factor in the teams success. Tenacious defense was led by Scooter Vaughan and Bill Marsden. James Kayajan, Jeff Viera, Lance Littlefield, Tom Sparling, Scott Ambrose and Mark Ambrose provided a strong bench for the Sachems.

Highlights of the season include: winning the Christmas Tourney by defeating Bishop Stang and Nantucket high schools (Brendan Murphy was tournament MVP), beating an undefeated Duxbury squad convincingly and defeating league leading Hanover for a first place tie. An added highlight of the season was defeating East Bridgewater for a state tourney berth.

Congratulations to this years Varsity squad and Coach Littlefield for the excitement of another winning season.

SPEECH & THEATRE WORKSHOP PRESENTS GROSS ENCOUNTERS OF THE WORST KIND

Skidoo and VoDee O Doe

The Speech and Theatre Workshop was organized in the fall of 1978 to promote interest in all aspects of the theatre among Middleborough High School students. "That's Entertainment", presented last spring, was the club's first offering.

This year in addition to a musical variety show, a one act play, "Gross Encounters of the Worst Kind" was presented in January to the whole student body. This science fiction spoof featured David Goldman, Nancy Malcolm, Tania Washington, Margaret Coutinho, Barbara Blaine, Michelle LaPierre, Michael Hall, Denise LaJoie, Matthew Bruffee, Fred Bohning, Susan White, Jennifer Peak and Sheryl Rogers. The stage manager was Nancy Bourne and the business manager was William Peterson.

Officers for 1979-1980 were:

President	Linda Noyes
Secretary	Barbara Blaine
Treasurer	William Peterson

And here I am!

They call me Squish

Special thanks are extended to Mrs. Eleanor Osborne and Mrs. Dianne Tardiff for the effort and enthusiasm they have provided for the Speech and Theatre Workshop.

COMMUNITY

A SUPERBOWL TO REMEMBER

The players were ready . . .

The cheerleaders were ready . . .

Everyone was ready.

The team got set . . .

And they started rolling!!!

And they scored!!!

JC was still concerned.

Suddenly, the offense was baffled;

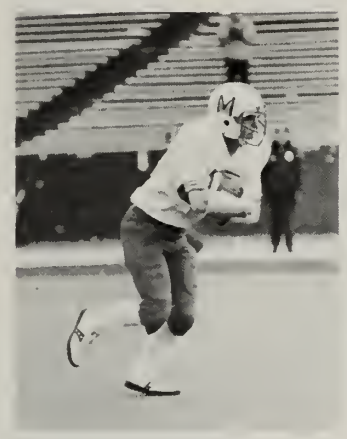
So was the defense.

The Spartans scored.

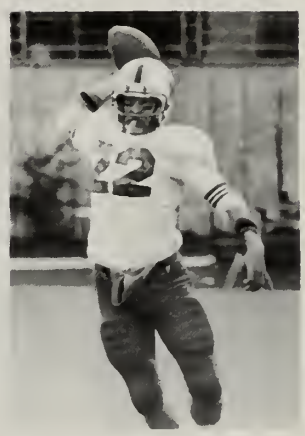
The band gave us a great halftime performance.

They always do.

Dom Savio came out rolling.



The Sachems returned part of the tally.



With faces of determination

and the fans still behind them

Time was running out
. . . and then . . . MIDDLEBORO SCORED!!!

They lifted their Coach as again

they proved themselves #1

MHS 21, DOM SAVIO 16

These are the guys

Dream On

The books are over there!

Now this is the plan . . .

Be seeing you

It's him

If they look that bad,
I wonder how they'll taste?

Many thanks to the following members of the Class of 1980 for the time and effort they put in to sell ads.

Camilla Andrade
Jean Briggs
Melissa Burrage
Cindy Cannon
Richard Cook
Pat Heinz
Matt Raynes

Thanks also to businesses in the community without whose support the yearbook would not be possible.
